Prescription Savings Program

The Points of Care Prescription Savings Program allows card members to receive the lowest possible price on prescription medications. Savings are immediate since no pre-enrollment of members is required. The Points of Care Prescription Savings Card is accepted at over 55,000 chain pharmacies. Members can save on drugs not covered in other plans. Members simply take their Points of Care Prescription Savings Card to their nearest participating pharmacy.

Mail Order Savings Program

The Points of Care Mail Order Savings Program offers some of the lowest prices in the country. The Points of Care Mail Order Saving Program has registered pharmacists that verify your order twice for accuracy and safety and is an excellent service for patients that utilize maintenance medications for on-going medical conditions or for individuals that would simply prefer to avoid long lines at the pharmacy.

Visit www.pointsofcare.com to place your order.

Over-the-Counter Savings Program

There is a high demand for cost savings on over-the-counter medications. Until now, over-the-counter medications have not been available through a prescription savings plan. The Points of Care Savings Program now allows members to purchase these medications and supplies with savings up to 40%. The Over-the-Counter Savings Program is a MAIL ORDER program.

To view our Virtual Medical Cabinet, log on to www.pointsofcare.com.

Durable Medical Equipment Savings Program

Our Durable Medical Equipment Savings program provides savings ranging from 20-40% off retail pricing as well as the convenience of home delivery and setup. This is a MAIL ORDER program.

Purchases can be made online at www.pointsofcare.com.

Diabetes Savings Program

Points of Care has partnered with a pharmacy with experience in diabetes supply management to bring the best in quality, service, products, care, and savings. These items are often not covered by insurance plans. The Points of Care Diabetes Savings Program is a one-stop mail order program for education, savings up to 40%, convenience, and support.

Hearing Savings Program

The Hearing Savings Program provides members actual savings of 20-25% off hearing aids. Members may call 1-800-591-5080 to activate their membership and schedule a free hearing aid assessment.

Please cut the card below along the solid line, fold along the dotted line, and present to your pharmacist with a valid prescription.
